REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: the prior art of record fails to teach or suggest a handle assembly for use with a cleaning pad, said handle comprising at least one of said insertable portions having at least one barb projecting from the inner surface of said one insertable portion, and the other of said insertable portions having an opening aligned with said barb, said barb projecting above the outer surface of said other of said insertable portions in said adjacent position so that with the insertable portions in the slit in the cleaning pad the barb will engage the cleaning pad, and said barb being essentially positioned between the outer surfaces of said insertable portions in said diverging position so that the insertable portions can move in the slit relative to the cleaning pad, in combination with other elements of claim 1 and claim 8.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
